G-LOC R360™

Pilot an experimental super plane through 36 action packed suicide missions within three 'player selectable' modes, Twin Rapid fire lazers and an impressive missile guidance system arm you with the technological edge needed to complete your missions. G-Loc's previously unrivalled H.U.D. keeps you informed of enemy FX85 tailgaters, and a special Booster operates the Afterburner for quick escapes ... or better still blast them out of the sky by executing a 360° manoeuvre which will give those FX85's a taste of their own medicine! G-Loc delivers the pulse pounding excitement you'll just want to keep coming back for!
